Definition

AH UK - Airbus Helicopters UK

Means the total number of hours for the Year in question

Obstruction data for MPS or FTD devices

Measure of airspeed

Method of display the position of and therefore the strain applied to a rotor head during manoeuvres

Those hours utilised on an as required basis over and above the Core Service Training Hours up to the

Virtual Reality Training Device, Winch Trainer, Cabin Trainer or similar training equipment

Drone or similar

See DVOD

Capacity Limit.
